

Year 1 - Galileo

Autumn 1 - Newsletter

Well done to all of Year 1! You have settled back in to school life wonderfully and it has been a pleasure to get to know you all this first half term. Alongside the newsletters, you will find further information about what your child will be learning on the class page. So please visit it often, go to - southbankprimary.co.uk and visit the Galileo class page. Thank you.

Topic - Our Topic this half term has been 'Bright Lights, Big City'. A highlight of this for the children, was our tea party with the 'Queen'!

MME - I love to celebrate the children's hard work with you. Using the MME app is a great way to do this. If you haven't already, please upload the app to receive updates.

In Year 1 we have daily phonics lessons which will support your child's early reading and writing skills. You can support your child by listening to them read at home. Please remember to sign their reading log, as there are incentives at school for reading at home. Books will be changed on a Monday, Wednesday and a Friday.

PE will take place on a Tuesday and a Friday. This may change after half term. Check the class page for updates.

Maths - the focus will be counting to 100 in different ways, both forwards and backwards. Visit the class page for ideas of how you can support your child's counting at home.
