

South Bank Primary

Peake Class Newsletter

Remote Learning Information

You will be able to access your child's learning on the school website:

<https://southbankprimary.co.uk/peake-reception/>

Each day's learning will be clearly dated.

Your child needs to work through the learning suggestions for that day. Sometimes there will be videos/links which will support the learning.

We have jotters available at the office for your child to complete their work in if needed. Please contact the office if you require one. Home learning packs are also available.

Your child has access to **Purple Mash**. If you require a reminder or log in information, please contact the office. I am able to log on to see the work your child has been doing there. Other work can be photographed and sent to your child's teacher via **Teams**.

I will be using **Marvellous Me** to send out weekly messages and stickers. If you have not signed up, you can contact the office and they will send you the information you need.

Please do not worry about of this – just support your child as best you can.

Weekly Meet Ups!

We will meet up each week via a Teams video call. An adult must be present for these calls. It will be a chance for your child to see some of their friends and to celebrate the work they have been doing. There will be two/ three groups. Your child will be invited to join one of the meetings.

Curriculum

Phonics – We will be continuing to learn the letters from Set 1 Read Write Inc and continuing to practise reading and writing CVC words, once they are confident we will begin reading labels and captions.

Literacy – We will be writing for a purpose, for example, shopping lists, recipes, letters and cards.

Maths – Learning numbers to 15, 2D/3D Shapes, doubling and halving.
