

Support Base 2 - Icarus

Class Newsletter - Spring 2

Core Subject Learning:-

Literacy

This half term we will be writing instructions and will be writing explanation texts about the digestion system. In reading, our new focus will be on developing our fluency when reading and also our comprehension skills using Reading Plus. We will continue to use LEXIA to support applying our phonics knowledge

Numeracy

Our focus this half term will be on continuing to learn our times tables. We will also develop our place value knowledge, application of the four operations and will look at our measuring skills.

Creative Learning:-

This half term we will be learning about our teeth and how to keep healthy. We will also focus on healthy eating and will be having lots of fun making healthy things to eat. We will also be developing our scientific knowledge about how our bodies work.

Reminders:

PE is every Friday. Remember to send your child to school wearing their PE kit (a tracksuit / shorts and t-shirt and trainers). PE is outside - weather permitting.

SPRING 1 LEARNING

We enjoyed finding out about different types of mountains around the world and worked hard to make our own mountains. We learnt about the water cycle and had fun singing a song to help us remember some of the important words to do with this!

Our time with Kids Konnekt has also helped us develop our communication skills and we have tried hard to work as a team.

Count forwards and backwards and write numbers to 20 in numerals and words.

1 Match the picture to the numeral.

2 Here is a number.

a) What is the number?

b) Use counters and ten frames. Make this number in a different way.

Draw your counters.

3 Write the numerals in words.

4 Complete the number tracks.

Tall mountain up high,
pointy peak touches the sky,
Cold as winter snow on the ground,
Jagged and rocky empty sound.
